Dr. Lewis W. Rathgeber

DEAR FRESHMEN:

It is especially pleasant for me to extend greetings of welcome to the Mansfield class of 1962. You will carry much responsibility on your shoulders. As the largest class to enter Mansfield in many years much

of the work in student activities will fall on your shoulders under the advice of the upper classmen and your faculty advisors.

These are days in which only one out of every five applicants for college admission can be accepted. Consequently, there is a great deal of competition for the available space. This means that it will be necessary for you to work and study hard in order to maintain your status as a student at Mansfield State Teachers College.

You are entering Mansfield at a time of great change. We are expanding our student services under the leadership of Mr. Thomas Godward, Dean of Students. We are acquiring items of equipment and supplies which we have never had before. You will have more things to work with and better facilities than any of your upper classmen have had in previous years.

The opportunities for your future growth are tremendous. These expanded opportunities are in both the academic and extra curricula areas. We have always had the feeling that if young people are given the opportunity they will rise to the occasion and make the best possible use of opportunities to increase their growth and vision.

I am particularly anxious that you feel free to consult with any member of the administrative staff or myself any time we can help you with your problems. The spirit of understanding, co-operation, and friendship, which is part of our Mansfield tradition, are the guiding lights of the administration's philosophy toward you and the problems you face.

Sincerely,

DR. LEWIS W. RATHGEBER, *President*

SUGGESTIONS TO THE FRESHMEN

*Here Are a Few Pointers for You, Frosh.
We Wondered, Too.*

1. Mansfield is proud of its tradition as the '*friendliest campus*'; so, speak to everyone you meet.
2. Don't be concerned about the study hours scheduled for the first nine weeks. You will study at least that much when there are no restrictions.
3. Read the bulletin boards every day.
4. All rules have a reason for existing. Try to understand them and following them will be more meaningful.
5. Men students wear ties and jackets to dinner Sunday through Thursday.
6. Home Economics students never have enough magazines, so start saving them now.
7. Women's practice rooms are on the seventh floor of North Hall; men's are in the basement of South Hall.
8. We are counting on the cooperation of all the freshmen to make our initiation a success. Our purpose is to make you familiar with the regulations of the college, and also, with the principles, traditions and interesting facts about the college.

— THE 1958 SOPHOMORE TRIBUNAL

STUDENT REGULATIONS

“Just laws are no restraint upon the freedom of the good, for the good man desires nothing which a just law will interfere with.”

— FROUDE

REGULATIONS FOR ALL STUDENTS

When a student registers, he binds himself to abide by the rules and regulations of the College.

The institution reserves the right to exclude at any time a student whose conduct or academic record or both proves unsatisfactory. A student judged out of sympathy with the spirit and ideals of the College will be excluded.

The College reserves the right to make any changes in the contents herein to conform with administrative changes.

The College also reserves the right to inspect all students' rooms.

ACADEMIC REGULATIONS

I. *Grades* — The following symbols are used:

- A — Superior
- B — Excellent
- C — Average
- D — Passing
- E — Incomplete
- F — Failed
- S — Satisfactory
- U — Unsatisfactory
- W — Withdrew

An E grade must be made up during the next semester where laboratory practice is not necessary. In case of specific laboratory techniques being involved the E grade must be made up in the semester when the course is next scheduled. All E grades not removed according to these instructions shall automatically become F grades.

II. *Quality Points*

Quality points are given as follows: Each hour of A gives 3 points; of B, two points; of C, 1 point; of D, no point; of E and F, -1 point.

III. *Quality Point Requirements*

1. For graduation a 1.0 average (C) is required
2. If a student has a point average below 1.0 (C) in any semester or a cumulative point average below 1.0 (C), his case shall be referred to the Faculty Committee on Admissions. The committee may request the withdrawal of the student from college.
3. Failure to achieve a cumulative point average of 1.0 (C) by the end of the sophomore year will necessitate a request for the students withdrawal from the College.
4. For a student teaching assignment a 1.0 (C) average in the fields of specialization is required.

IV. *Dropping Subjects and Changing Courses*

1. No course shall be dropped without a penalty grade of F after the third week of a semester; prior to such time, the student must secure the approval of the instructor of the course, Director of the Department, and the Dean of Instruction for such withdrawal.
2. Students who desire to transfer from their Department must secure the written consent of the Director of their Department, the Director of the Department to which they request transfer, and, if under 21, parents permission, subject to the approval of the Admissions Committee.

3. Students are classified according to the number of semester hour credits they have earned according to the following scale:

Less than 32 credits — Freshman classification

32-63 credits — Sophomore classification

64-95 credits — Junior classification

96 or more credits — Senior classification.

V. Additional Work

Students who wish to carry from one to three hours of work beyond the regular program for their semester must:

- (a) Make a 2.0 average for their previous work.
- (b) Secure in advance the written approval of the Director of their Department, and the Dean of Instruction. These conditions cannot be met in the first semester of residence.

VI. Absences

Absence from class is regarded as likely evidence of neglect and indifference on the part of the student. On the other hand, neither is a student expected to jeopardize his health in an overly zealous effort to meet his class commitments.

You are urged to have your absences recorded in the offices of the personnel Deans by presenting satisfactory evidence of illness or equally justifiable cause.

(*) A student with a quality point average of less than 1.0 or a student on academic probation may not be absent.

Absences are not permitted in any student teaching assignment.

Responsibility rests with the individual student for a number of absences equal to the number of semester hours for which a course is offered. Make-up work of any sort resulting from absences incurred may be permitted at the discretion of the instructor of the course. Any subsequent absence must be justified by evidence of a bona fide illness or equally justifiable cause to prevent loss of credit.

If a student accumulates a number of absences in a course equal to twice the number of semester hours for which the course is offered, the case must be reviewed by the Curriculum Committee before credit can be granted in that course.

Musical Organizations — more than two absences is likely to result in the loss of credit.

Assembly — each absence after the second will result in the loss of a quality point.

*(See paragraph * above)*

Absence from class twenty-four hours prior to the beginning of or twenty-four hours after the termination of a vacation will be counted as a double absence.

Any student who is ill and desires to go home must be granted approval to leave by the physician or nurse through the personnel Deans.

Anticipated absences based on valid cause may be authorized in the Office of the Dean of Instruction, except for students in full time student teaching assignments. Student teachers should clear such absences through the Director of Student Teaching.

Students or student groups may be absent to attend only conferences and professional activities that are scheduled or arranged by inter-college organizations and sanctioned by the college administration.

Absences of Music Students attending the Pennsylvania Collegiate Music Festivals will be authorized in accordance with the scale based on accumulative grade point ratios and issued from the office of the Dean of Instruction.

ACCUMULATIVE GRADE POINT

Ratios:

- 1.0 to 1.4 inclusive
- 1.5 to 1.9 inclusive
- 2.0 and above

Absences:

- None
- Granted for one festival
- Granted for two festivals

VII. *Regulations Concerning Examinations*

The following policies concerning the administration of examinations have been adopted:

1. A minimum of three systematic evaluations of student achievement shall be made during each semester.
 - a. Wherever possible, more than one type of test, including the subjective test, should be used by the instructor of any subject during a semester's work.
2. Semester grades shall be based on as many factors as possible, such as results of tests and examinations, projects, individual participation in class, term reports, individual special reports, growth, laboratory work, field work, and the like.

STUDENT GOVERNMENT

Greater student participation in the direction of their own affairs has been one of the most important developments in recent Mansfield history. Greater student participation also means that each student assumes more responsibility for the proper action, conduct and thinking which accompanies the privilege of directing their own affairs.

This year the entire area of student personnel, in which student government is located, will be under the leadership of Mr. Thomas Godward, Dean of Students.

Each student is a member of the Mansfield Student Government Association. In order to carry on the business for this group, the student body elects fourteen students to be their representatives and serve on the Student Council. Since the Student Council plans the extra-class activities program on the campus, approves the dates for college meetings, and sends students' opinions to the Administrative Council, the members are eager to serve the students well. The Council seeks the cooperation of each student and is pleased to receive suggestions.

REGULATIONS FOR WOMEN STUDENTS LIVING IN THE DORMITORY

(Subject to Administrative Change)

In a college where a number of persons live together, it is necessary to have some form of social control or government. The Women's Dormitory Council is the governing body and has adopted the following regulations to promote the highest standards for women students. Ignorance of the regulations is not excusable. It is the responsibility of each Mansfield woman student to live up to these standards.

1. DORMITORY ORGANIZATION

a. A Dormitory Council consisting of eight upperclassmen is installed in May to act for the next current college year.

b. At the end of the first six weeks of the school year, two Freshmen representatives are elected to the Council.

c. This organization has specific duties and authority concerning regulations and any violations of these regulations.

d. The Dean of Women acts as advisor to the Council.

e. If the Council encounters problems serious enough to submit to higher authority, the Dean of Women will present the case to the College Administration.

2. QUIET HOURS

a. On Monday, Tuesday, Wednesday and Thurs-

day, study hours are designated from 7:30 p.m. to 10:00 p.m. During these hours, no student is to make any noise that would be disturbing to any one who is studying.

b. On Sunday, Monday, Tuesday, Wednesday and Thursday, night quiet hours are designated from 11:00 p.m. to 7:00 a.m.

c. On Friday night quiet hours are from 12:00 midnight to Saturday 9:00 a.m. and on Saturday from 12:00 midnight to Sunday 9:00 a.m.

d. On Special dance nights quiet hours begin one-half hour after the time that the students are in the dormitory for the night.

e. Typewriters may not be used in students' rooms or in the corridors during night quiet hours. After 11:00 p.m., typewriters may be used on seventh floor.

f. Radios may be played during study hours, but *must* be tuned so that they cannot be heard outside the room. Radios *may not* be played at all during night quiet hours.

3. ABSENCE FROM CAMPUS

a. All students may leave the campus during the day to visit approved homes and restaurants and attend church services and the Twain Theatre.

b. At night Sophomores, Juniors, and Seniors may leave the campus as indicated above. Freshmen may have this privilege after the first nine weeks.

c. At night on Friday, Saturday and Sunday all students may leave the campus to visit approved homes and restaurants and to attend church services and the Twain Theatre.

d. No women student is to visit any residence where men students are living other than their own homes unless permission is obtained from the Dean of Women's Office.

Permission for a group social function or party at the residence of a man student must be secured from the Dean of Women's Office.

e. To be absent from the town of Mansfield over the week-ends (except her own home) from Friday to Monday morning, permission must be obtained from the Dean of Women's Office and signing out is done there. To go to her own home over the week-end, a general permission is granted each and she must sign out on her own respective floor with no further permission. However, if you take a later permission to come back on a Sunday night, sign out in the special book in the office.

f. If a girl is to be the guest of a man student on another college campus, she must have a letter of permission from her home sent directly to the Dean of Women's Office.

g. After a campus dance for which any general late permission has been issued, upperclassmen must have a written permission from home to return to their own homes that night or to go to the home of a friend or relative. Freshmen may go to their own home with proper permission and letter.

h. If a girl signs out for home on Friday night and returns to the campus Saturday, she is under college regulations again; so if a girl signs out for home Friday, but returns to campus for a dance Saturday night, she must have the written permission from home required in the above instances to return home again that night.

i. If at the beginning of a vacation a girl plans to visit elsewhere before going to her own home,

permission should be obtained at the Dean of Women's Office.

4. RETURN TO DORMITORY

a. 10:00 o'clock evenings is the time of return on Monday, Tuesday, Wednesday, Thursday and Sunday.

11:00 o'clock evenings is the time of return on Friday and 12:00 o'clock on Saturday.

b. If a student is away and cannot return to the dormitory by closing time, she must telephone the Dean of Women before 10:00 p.m. If it is impossible to contact the Dean's Office before 10:00 p.m., emergency calls will be accepted until 12 midnight. After 12:00, the night watchman may be called and he will relay the message.

c. No student is permitted to walk alone to or from the bus terminal after 10:00 p.m.

d. If a student does not return to the dormitory at the time she designated when she signed out, her parents are notified.

e. No girl is to leave the dormitory before 7:00 a.m. unless she has permission.

f. A girl should strive always to get to the dormitory by five or ten of the hour to avoid the possibility of being late. When returning to the dormitory after a late permission girls enter the building through the door on second floor by the Administrative Offices. A girl on duty in the Dean's office will permit her to enter after ringing the bell. Each girl is responsible for signing her name and the exact time she returned on a designated sheet or the permission book in the office of the Dean of Women.

5. SPECIAL ELEVEN O'CLOCK PERMISSIONS

Members of the Women's Dormitory are granted 11:00 o'clock permissions as follows:

- a. Sophomores — 5 each semester.
- b. Juniors — 6 each semester.

Members of the Women's Dormitory are granted 12:00 o'clock permissions as follows:

- d. To Dean's List students — one each weekend.
- e. Special 12:00's are granted to everyone for the night of the official end of each vacation excepting the recess between semesters.
- f. Working in town, Elmira concerts, football games and some other events which may warrant a late permission. It will be granted.

7. SPECIAL MOVABLE ONE O'CLOCK PERMISSIONS

- a. These permissions may be used any Friday, Saturday, or Sunday night throughout the year.
- b. It is possible to use this permission at another time by obtaining permission from the Dean of Women.
- c. Sophomores may have 1; Juniors may have 2; Seniors may have 3.

8. SIGN OUT BOOKS

a. For general weekend permission to go home (Friday to Monday noon) students sign out in the book provided in their corridor.

b. When going home for vacations during the year, students sign out on a special sheet provided in their respective wells. If returning before 10:00 p.m. after vacation, sign in in the well. If returning after 10:00 p.m., sign in on the special sheet which will be found in the office.

c. For any permissions granted by the Dean of Women's Office, the student signs out there. There are two sign out books — one for riding permission and one for any other permission which must be obtained from the office.

d. Follow the headings of these various sign out books carefully; and when signing in, remember to give the actual time of return.

e. To avoid penalties — sign in *immediately* upon your return and each girl *must* sign her *own* name. *This is very important!*

9. AUTOMOBILING

Because of the danger of accidents, permission of the parents must be granted before students may ride in automobiles. This permission is secured through a permission card sent to the parents in September of their Freshman year to be signed and returned directly to the office of the Dean of Women where they will be filed for four years. Riding permissions are as follows:

a. During the day Sophomores, Juniors, and Seniors may ride within the borough limits without further permission and without signing out.

b. Sophomores, Juniors and Seniors may have automatic riding permission if their parents approve by signing out in the Riding Book in the office of the Dean of Women.

c. Sophomores, Juniors and Seniors may ride out of town after 7:30 during the week only by using a special 11 or 12 o'clock permission.

d. Sophomores, Juniors and Seniors may ride in town during the week after 7:30 without using a special permission. *It is important* that they designate that they are staying in town by writing "in town" in a column in the riding book.

e. After a campus dance for which a general late permission has been granted, Sophomores, Juniors, and Seniors may have riding permission out of town by signing on a special registration sheet in the Dean of Women's Office. **WHEN A MANSFIELD STUDENT LEAVES CAMPUS THEY ARE EXPECTED TO USE GOOD JUDGEMENT IN THE CHOICE OF PLACES TO WHICH THEY GO.**

f. Women students are not permitted to be in parked cars on the campus after 7:30 in the evening.

g. A woman student while under college regulations may not have an automobile in Mansfield without special permission of the Dean of Women. Such permission is granted only in cases of necessity. The student must also be over 21 years of age and have a letter from her parents granting this permission.

b. This room is open to men and women at all times when North Hall is open.

f. Men students are not permitted on the second floor before 8:00 a.m.

11. GUESTS

a. Students may entertain overnight guests in the dormitory over the weekend, but must register these guests at the Office of the Dean of Women.

b. It is understood that guests are under the regulations of the College; and it is the responsibility of the student to acquaint the guests with the regulations.

c. If a guest breaks any regulations, the student who is her hostess must take all the responsibility and fulfill the penalty for the breaking of the regulation.

d. A woman student who wishes to entertain her

father in her room may do so on Sunday afternoon from 2:00 - 5:00 p.m. and must register this intention in the Dean of Women's Office.

Musical Organizations

The musical organizations are so planned as to provide musical experience and additional musical instruction for students at their various levels of achievement. For this reason these groups differ materially from year to year. They all attempt to develop a high standard of ensemble technique and musical taste among the members, as well as to acquaint them with representative works of various musical styles.

Included among the instrumental organizations are the ORCHESTRA, BAND, and various CHAMBER MUSIC groups as well as practice groups, as are needed. While planned primarily to meet the needs of the students in the Music Education Curriculum, these organizations are always open to qualifying students from other departments.

Students majoring in Music Education are divided into two CHORAL ORGANIZATIONS, one made up of Freshmen and the other of students from the three upper classes. Corresponding to the instrumental chamber music groups are the MADRIGAL GROUPS and various ENSEMBLES of women's and men's voices, made up for the most part of music students. Opportunities in the form of separate choral organizations are provided for students from other departments who like to participate in musical activities but who can not qualify for membership in the organizations mentioned above. The various music groups are in considerable demand for performances in the churches, schools, and social organizations of the College area, as well as for College assembly programs.

Athletic Activities

Intercollegiate football, basketball, and baseball games and golf matches have been scheduled for 1958-1959. In addition to the intercollegiate program the students have a lively interest in intramural athletics. Tournaments and class competitions afford each student opportunity to participate in his favorite sport. Among the most popular are tennis, basketball, volleyball, softball and bowling.

Extra-Class Point System

The extra-class point system at Mansfield State Teachers College aims to distribute responsibilities and honors in extra-class activities among the maximum number of students, to assist students in balancing their class and extra-class activities, to develop competent leadership in the student body, and to promote efficiency in each activity.

For the accomplishment of these purposes, each recognized extra-class activity office has been assigned a certain value in points, ranging from one to ten, the number being determined by the amount of work entailed by that activity.

No student may carry more than ten points and no student may serve as president of more than one organization at a time.

Extra-class points are not credited toward academic standing.

The point system is administered by a member of the Student Council. It shall be the duty of this member to enforce the point system and to record all activities of students in card catalogues containing a card for each student.

Mansfield, Hail!

WILL GEORGE BUTLER

Old Mansfield, high upon the eastern hill,
Dear Mansfield, hail to thee!
Thy loyal sons and daughters with a will
Salute in melody.
We bring a laurel wreath of praise,
And pledge our love thro' all the days;
Our Alma Mater, dear, all hail to thee!
Old Mansfield, hail to thee!

The world is better for the beacon light
Which thou has shed abroad,
Strong hearts are stronger for the testing fight
That leads men up to God.
In all the varied walks of life, in peaceful paths
and stress of strife,
We find thy sons and daughters true to thee,
Old Mansfield, hail to thee!

We never can forget the days we've spent
Within thy hallowed walls.
We'll learn sometime what all your lessons meant
When larger duty calls.
For ev'ry law and rule of thine,
Is made to fit our life's design.
We'll consecrate our lives to Truth and thee.
Old Mansfield, hail to thee!

The vision that we caught beneath thy spell
Has opened up the way
To opportunity and serving well
Upon the King's highway.
We love the mem'ry of thy ways,
Strong lads and lassies fair as fays;
Our Alma Mater, dear, all hail to thee
Old Mansfield, hail to thee.

Red and Black Victorious

Red and Black victorious,
Push on to the goal;
Fight to gain a victory,
Mighty cheers will roll.
Fight! Fight! Fight!
Forward, never faltering,
Ours the goal to gain,
And as we march on to the victory.
Cheer for Mansfield's fame
Rah! Rah! Rah!

Mansfield Victory

GEORGE SALLADE HOWARD

Mansfield, Mansfield, fight to her fame
Touchdown, Touchdown, make that your aim.
Let us fight on to reach the goal
Let us retain our fame of old.
And ever forward, forward, we're backing you
M.S.T.C. loyal and true.
We'll spread your fame through all the world,
And always fight on to victory.
